

Catholic Strategies COVID-19 Response for Dioceses

Sample three-question parent survey

Using a tool such as [Survey Monkey](#), check in with parents about how the school-at-home experience is going, as well as their intentions for fall enrollment:

We're checking in to find out how it's going at home.

1. How is your family doing with school-at-home since the COVID-19 school closing?
 - a. We're making the most of it, having some fun, and doing our best.
 - b. We have good days and bad days but are generally succeeding.
 - c. We're struggling to be organized and consistent.
 - d. Despite our best efforts, we are not succeeding at school-from-home.

2. How would you rate the support you're getting from your child's teachers?
 - a. Awesome. Amazing. Incredible.
 - b. Generally helpful and useful guidance. They're clearly doing the best they can.
 - c. There's too much work and not enough guidance.
 - d. There's not enough for my kids to do. My kids are bored.

3. Thinking of the 2020-2021 school year, what is your plan for enrollment:
 - a. We are already enrolled for next year and can't wait to go back.
 - b. We haven't yet enrolled for next year but we plan to.
 - c. We're reconsidering our plans for next year and haven't yet decided.
 - d. The current crisis is forcing us to go elsewhere.
